

KALINA BEROVA

MBA, CFA

Visiting Researcher

kalina.berova@bodhiresearchgroup.com

Kalina Berova is a Visiting Researcher at Bodhi Research Group. Her duties include manager research, co-investments, private equity, and portfolio diagnostics.

Ms. Berova has over 15 years of investment and risk management industry experience. Most recently, she was part of the External Relationships Team at the New York office of OMERS, a Canadian pension fund, where she gained experience in a broad range of traditional and niche hedge fund strategies, custom alternative investment solutions, and private equity funds & co-investments. Previously, Ms. Berova worked at the Ontario Teachers' Pension Plan (OTPP) in Toronto where she was part of the Total Fund Asset Mix and Risk Team, responsible for a number of investment programs, including alternatives, quantitative trading, and etc. While at OTPP, she also developed a quantitative solution for evaluating hedge funds and hedge fund portfolios.

Ms. Berova has an MBA from Simon School of Business, University of Rochester, USA. She is a passionate experimental cook.
