

BRITT BUHAY

Principal, Total Portfolio Management
OMERS

Speaker

In her role as Principal on the Total Portfolio Management team at OMERS, Britt is responsible for thematic research. She identifies key trends that could have material impacts over a long term horizon. She identifies macro level implications and quantifies the impact on the portfolio. She works collaboratively with OMERS investment groups to identify opportunities and ways to position the portfolio to benefit from thematic trends.

Britt has 10 years of experience in the financial industry. Before joining OMERS she worked at CPPIB and TD Securities. Britt holds a Mechanical Engineering degree from Queen's University and is a CFA charterholder.

In her spare time, she is an avid golfer and swimmer.
