

TANYA CARMICHAEL

Advisor

Speaker

Tanya has spent 20+ years as a private equity investor, most recently leading a global investment team and \$12bn funds portfolio at Ontario Teachers' Pension Plan. She is past board member and Chair of the Institutional Limited Partners Association (ILPA), the leading global industry association for education, standards and best practices in private equity. Tanya also has served on the Private Equity Steering Committee of the UN Principles for Responsible Investment and other cross-industry efforts. Tanya leads with a strong orientation to the power of collaboration to effect systemic change through excellence in authentic leadership and strategy execution. She is passionate about the advancement of ESG, culture, governance, impact and DEI and the corresponding relationship these have to investment outcomes and talent management. Tanya holds a B.A. (Hons), LLB and the ICD.D.
