

## HENGCHUN MU

Quantitative Research Intern

[hengchun.mu@bodhiresearchgroup.com](mailto:hengchun.mu@bodhiresearchgroup.com)

Hengchun Mu is currently enrolled in the Master of Science in Financial Mathematics at the University of Chicago. Hengchun graduated from Beloit College with a Bachelor's degree in Quantitative Economics and Mathematics. As well, he is a Phi Beta Kappa member and a varsity swimmer.

Before starting his master program, Hengchun was a Senior Research Analyst in executive compensation and corporate governance at Equilar. Primarily, he led multiple industry research with the implementation of advanced SQL skills, published up-to-date compensation and corporate financial data to major products and conducted data quality examinations. Hengchun is currently participating 2022 CME Trading Challenge with two of his cohorts where he trades metal and Interest Rate futures. During this challenge, Hengchun have had a great exposure to futures trading as well as short selling strategy.

In Hengchun's spare time, he enjoys swimming, visiting national parks and collecting Lego series.
