

## DR. BAHI KANDAVEL

Founder and CEO  
Northstar Trading

Speaker

Bahi Kandavel is the Founder and CEO of the Northstar Trading group - a quantitative proprietary trading firm specializing in North American electricity markets, with traders based in Toronto, Calgary and New York.

Northstar operates in the deregulated US power markets by providing liquidity through a variety of quantitative and fundamentally driven strategies.

Bahi holds a CFA and a PhD from EDHEC Business School in Nice.
