Tianci (Timmy) Cai is currently enrolled in the Master of Science in Financial Mathematics at the University of Chicago. Timmy graduated from Bentley University with a Bachelor's degree in Actuarial Science.

Before attending the University of Chicago, Timmy worked as a Research Assistant at Winning Investment Management Limited, a fund of hedge funds based in Hong Kong. In this role, he supported the asset allocation process by covering a number of hedge funds, writing summary reports, conducting due diligence through investor conference calls and speaking to fund managers directly.

He gained direct exposure to the hedge fund industry, and became familiar with a variety of hedge fund strategies such as global macro and CTAs. He was also responsible for staying up to date on current news, trends, and conducting economic and industry specific research.

In Timmy's spare time, he enjoys playing the piano, working out, and is a big fan of snooker.
