

CORDELL W. THOMAS, II

Senior Analyst – Operational Due
Diligence
General Motors Asset Management

Speaker

Cordell serves as the Senior Analyst within General Motors Asset Management's (GMAM) Enterprise Risk Management team; and is responsible for leading operational due diligence reviews on both alternative and traditional asset managers within GM's Defined Benefit and Defined Contribution plans across the US, Canada, Belgium, and the UK. Prior to GMAM, Cordell worked at Mercer Sentinel Group, Mercer Investment Consulting LLC's operational due diligence consulting group.

While at Mercer Sentinel, Cordell performed operational due diligence on alternative and traditional asset managers for both external and internal clients. During his over 20 years experience in the asset management industry, Cordell has served in various roles within reputable firms including Citco Fund Services, Société Générale and BNY Mellon Wealth Management. He has worked with both alternative and traditional asset managers of various sizes and geographic locations including North America, South America, Europe, and Asia.
