

## MARC-ANDRÉ SOUBLIÈRE

Senior Vice President, Fixed Income &  
Absolute Return  
TCC

Speaker

As Senior Vice President, Fixed Income and Absolute Return, Marc-André oversees all fixed income portfolios and tactical asset allocation. He is a longstanding member of the Investment Committee (IC), and an active member of TCC's Executive Committee.

Prior to joining the team in 2009, Marc-André managed pension assets portfolios for large para-public organizations. He brings over 25 years of experience in direct portfolio management with in-depth knowledge of global macro strategies, derivative instruments, fixed income and portfolio construction. Marc-André holds both a Bachelor of Commerce in Finance from the University of Ottawa and a Master of Science in Finance from the University of Sherbrooke. He is also a CFA charterholder.
